1. Example:

How to(How to learn English).
You shouldn't be afraid of making mistakes.
You must learn new vocabulary.
You don't have to live in London.
You mustn't give up too easily.

You have to do something similar.

When you finish, you will be asked to read it, be careful and don't tell your classmates the "how to" part because they have to guess it. Don't worry if they mention the same or something similar, read it anyway,
