

# "(Ghost) Riders In The Sky"

Jhonny Cash

## Complete with the words

An old cowboy went riding out one dark and \_\_\_\_\_ day

Upon a ridge he rested as he went along his way

When all at once a \_\_\_\_\_ herd of red-eyed cows he saw

Plowing through the ragged skies and up a \_\_\_\_\_ draw

cloudy

shiny

riders

ghost

windy

bolt

Their brands were still on fire and their hooves were made of steel

Their horns were black and \_\_\_\_\_ and their hot breath he could feel

A \_\_\_\_\_ of fear went through him as they thundered through the sky

For he saw the \_\_\_\_\_ coming hard and he heard their mournful cries

mighty

Yippie I oh oh oh

Yippie I aye ye ye

\_\_\_\_\_ riders in the sky

## Match the halves with a line

Their faces gaunt, their eyes were blurred,

He's riding hard to catch that herd

Cause they got to ride forever

On horses snorting fire

as they ride on hear their cries

on that range up in the sky

their shirts all soaked with sweat

but he ain't caught em yet

## Drag the half to complete the verse

As the riders loped on by him \_\_\_\_\_

'If you wanna save your soul \_\_\_\_\_

Then cowboy change your ways today \_\_\_\_\_

Trying to catch the devil's herd \_\_\_\_\_

from hell a-riding on our range

across these endless skies

or with us you will ride

he heard one call his name
