Guard down

August Moon

COLD

Had me up inside a temple. I could not choose
Insecure, got hot to handle. Too much, too soon

Time after _____... Had to stop _____

Night after night...She _____ control

But then

I _____ it up to the devil in me, and I

I let my guard down (I let my guard down)

I've given up on her _____ of me when

I let my guard down (I let my guard down, hey)

She'll take me _____ if I make her believe that I

Can finally come down (can finally come down)

Get through the steps I don't wanna _____ 'cause

I let my guard down

She don't want part of the cliché. I turned into

Don't want her to _____ me that way

And face the truth. Time after time

Had to stop cold. Night after night

She takes control. But then

TIME

TAKES

VISION

SEE

BACK

STEPS

I give it up to the _____ in me, and I

I let my guard down (I let my guard down)

I've given up on her vision of me when

I let my guard down (I let my guard down, hey)

She'll take me back if I make her believe that I

Can finally come down (can finally come down)

Get through the _____ I don't wanna repeat 'cause

I let my guard down

Let's go

She takes control (she takes control)

I give it up to the devil in me, and I

I let my guard down (I let my guard down, hey)

I'm giving up on a vision of me when

I let my guard down

REPEAT

DEVIL
