

## **The Wizard of Oz- Which way do we go?**

---

- Now, which way do we
- Now, which way do we go?
- Pardon me, that way is a very nice \_\_\_\_\_
- Who said that? ... Don't be silly, Toto; scarecrows don't \_\_\_\_\_
- It's pleasant down that way too.
- That's funny, wasn't he pointing the other way?
- Of course people do go \_\_\_\_\_ ways.
- Why! You did say \_\_\_\_\_, didn't you? ... Are you doing that on purpose or can't you make up your mind?
- That's the \_\_\_\_\_; I can't make up my mind, I haven't got a brain, only straw.
- How can you talk if you haven't got a brain?
- I don't know, but some \_\_\_\_\_ without brains do an awful lot of talking, don't they?
- Yes, I guess you're \_\_\_\_\_. Well, we haven't really met properly, have we?
- Why, no!
- How do you do?
- How do you do?

- I am very well, thank you.
- I am not \_\_\_\_\_ at all well. You see it's very tedious being stuck up here all day long with a pole up your \_\_\_\_\_.
- Oh dear, that must be terribly uncomfortable. Can't you get down?
- Down? No, you see, I'm well,... I'm...
- Oh well, here, let me help you.
- Oh, that's very kind of you, very kind...
- Well, oh dear I don't quite see how...
- Of course I'm not bright about doing things, but if you'll just bend the nail down in the back, maybe I'll slip off and...
- Oh, yes.
- Whoops! Here goes some more of me again!
- Oh, does it hurt you?
- Oh, no! I just keep picking it up and putting it back in \_\_\_\_\_. My, it's good to be \_\_\_\_\_.
- Ohh!!!
- Did I scare you?
- No, no. I just thought you \_\_\_\_\_ yourself.
- But I didn't scare you?
- No, of course not.
- I didn't think so...
