Read the job ads. Then match the best job to each person. (4 POINTS)

CLASSIFIEDS

A. Computer programmer

Are you the type who likes to analyze computer data? If so, this job is for you because it requires a reliable person who is organized and efficient. You must know several computer languages and operating systems. You need to be able to work alone as well as on team projects. Send résumé to DataTech Corporation.

B. Office manager

Immediate opening for an office manager with good computer skills. Excellent spoken and written English also needed. One other foreign language would be useful. We are looking for a creative person who works well with other people. Some evenings and Saturdays may be necessary. This is an interesting job for someone who is hardworking, organized, and good at solving problems. Contact Mr. Chase at Rosewood Medical Center for an interview.

C. Server

We have a vacancy for a part-time server in our downtown coffee shop. One to two years' food service experience and high school diploma desired. Weekend work required. This is a good job for a friendly and hardworking person who likes meeting people and helping customers. Hourly wage plus tips and vacation time. Interviews next week from 9 A.M. to noon. Ask for Rosa.

1. Anita is a recent high school graduate who has worked for one year at a fast-food restaurant in the local shopping mall.
2. Christina doesn't mind working independently or with others. She's been working with computer languages in a small family business for several years.
3. Greg just finished a computer course. He has also studied Spanish for three years and doesn't mind working some evenings or on Saturdays.
4. Isabella got excellent grades in computer language classes in college and is a good problem-solver. She's taking an art class on Saturdays, so she can only work during the week.
