Blackpink is a famous South Korean girl band. They     practice singing and dancing. They    travel to many places for their shows.

They  worry about their clothes because they have helpers. They  use social media because their company does it.

Girls     eat healthy food and   do sport.

When they give interviews, they are     nice and kind. They  say bad words.

Blackpink loves making music and are     creative.
