A Read the article. Circle the correct answers.

What are some of the best jobs in the world? According to some sources, the happiest workers are firefighters, writers, teachers, artists, and nurses. Firefighters are happy because their job allows them to help people in trouble. Writers and artists often do not make much money. However, they enjoy their work because their jobs are very creative.

Some teachers find their jobs difficult and leave within five years. Those who stay, however, say they enjoy having a job that allows them to work with people—teachers like helping students and watching them grow. Finally, even though they often work long hours, nurses have a high amount of job satisfaction. They find happiness at work by helping others.
