

Gotta girl so fine
Loves me all the time
[redacted] her hair slap her face
It's alright
She just wants

Chorus:
To be [redacted]
And you say it should be better
And if I don't think so
Temptation
You just can't resist so it goes
Call it heaven call it a day
You think it's wrong
Oh no such a [redacted] place

I went out all night again
Bruise and pills
Cocaine
Getting off however you can
It's alright
As long as kills the [redacted]

Chorus:
And you say it should be better
And if I don't think so
[redacted]
You just can't resist so it goes
Call it heaven, call it a day
You think it's wrong
Oh no such a comfortable place
