III. **Read the text. Complete the sentence. Use a word from the text.**

Danielle is an engineer, but she used to be a singer. When she was in high school, she was in the drama club and the choir. She learned how to sing very well, and she used to play an instrument, too. She played the violin in the school orchestra. She used to love playing the violin, and she also used to love singing. When Danielle graduated from college, she got a job as a singer in a club..

The work was hard because she worked all week and got home very late every night. She didn't like this job. She said, "I used to love singing, but now I don't like it." She decided to stop. Now she has a job as an engineer. She works five days a week and gets home at 5:00, so she has time for her hobbies. On the weekend, she sings for her friends at parties and sometimes she plays the violin, too. She is much happier than she used to be
