Granville R.C. Primary School

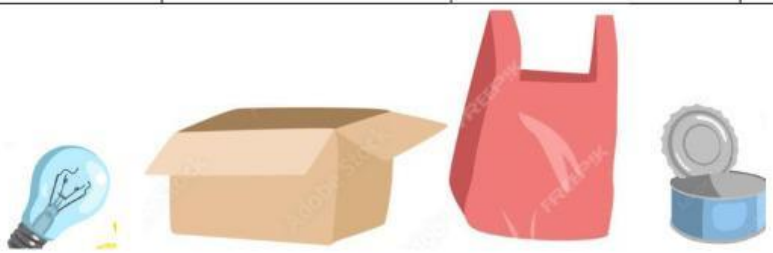

Infants 1

Science Revision- Litter

REMEMBER: Litter is trash (useless bits of stuff) that is thrown away in the open or in public spaces.

A) **Match** the pictures to the types of litter.

PLASTIC	PAPER	CAN	GLASS

LIVEWORKSHEETS

B) **Match** the descriptions to the disposal methods by drawing lines.

Reduce-

Reuse-

Recycle-

Burning-

Burying-

This can take up too much space!

We can make old things into new things!

This can be bad for the air!

We can use things again and again!

We can use less stuff!

C) For Home Work, research what the Great Pacific Garbage Patch is.
