You say, you wander your ..... land

But when I think about it, I don't see ..... you can

You're aching, you're .....

And I can see the pain in your eyes

Says Everybody's Changing, and I don't ..... why

So little time

Try to ..... that I'm

Trying to make a move just to ..... in the game

I try to stay awake and ..... my name

But everybody's changing, and I don't ..... the same

You're gone from here

Soon you will disappear, fading into ..... light

'Cause everybody's changing, and I don't ..... right
