

You say, you wander your land
But when I think about it, I don't see you can
You're aching, you're
And I can see the pain in your eyes
Says Everybody's Changing, and I don't why

You're gone from here
Soon you will disappear, fading into light
'Cause everybody's changing, and I don't right

So little time

Try to that I'm

Trying to make a move just to in the game

I try to stay awake and my name

But everybody's changing, and I don't the same
