- II. Read the following text and identify 5 complex phrases (NP, VP, AjP, AvP, PP) in it (at least two elements). Write them down in the spaces given and analyse them as shown in class.

I have just returned from the greatest summer vacation! This last vacation was so fantastic. I would have hoped it would last forever indeed. I did spend eight days in Paris, France. My best friends went with me. We had a beautiful hotel room in the Latin Quarter, and it wasn't even so expensive. We had a balcony with a wonderful view.

We did visit many famous tourist places. My favourite was the Louvre, a well-known museum. My friends and I were always interested in art, so that was a special treat for us. The museum is so huge, you could spend weeks there. Henry got tired walking around the museum. He needed a break.

We took lots of breaks and sat in cafes along the river Seine. The French food we ate was delicious. The wines were tasty, too. Steve's favourite part of the vacation was the hotel breakfast. He said he would be happy if he could eat croissants like those forever. We had so much fun that we're already talking about our next vacation. This summer has ended too quickly indeed for us!
