Ups and Downs

Detour - обїзд, mesmerized - загіпнотизований, overthrow - провалити, eventually - в кінці кінців, Surrounded - оточений, precious - дорогоцїнний, hardly - навряд чи, carriage - карета, Ups and downs - взльоти і падїння.

The darkness hits the earth by the morning sun
The light is beautiful and I'm mesmerized by it
But soon I can't open my eyes
But eventually, I get used to it

Surrounded by precious things
The heart turns into stone

Hardly the stuff of bedtime story
Happy ending in just a sad short detour
Life is a journey not a destination
Enjoy the ride with ups and downs

My friend enjoyed carriage through the plains
Holding a platinum knife with soft fire glows
But his eyes did not shine
What did he see that he can hardly overthrow

Surrounded by precious things
My heart turns into stone

Hardly the stuff of bedtime story
Happy ending in just a sad short detour
Life is a journey not a destination
Enjoy the ride with ups and downs

Hardly the stuff of bedtime story
Sometimes you have to play supporting role
But what matter is that your eyes shine
In the moment

Hardly the stuff of bedtime story
Happy ending in just a sad short detour
Life is a journey not a destination
Enjoy the ride with ups and downs

Zing mee! Evgenia 😊
