As you can see from my resume, I've been working as a project coordinator for the ACI in Seattle for several years.

My job has mainly involved organizing special events

Against the odds, I managed to successfully work with our partners and reschedule the project events.

I guess at times I'm a little reluctant to delegate certain tasks.

I would say successfully completing my college degree was my most rewarding accomplishment.

My long-term goals involve growing with a company where I can continue to learn, and take on additional responsibilities.

Once I gain the necessary experience, I see myself moving on to a management position.
