

5th 2021 - How do we measure time?

WILL to talk about future facts

1) We read a poem about someone who is visiting his cousin Bobby in Spain. Do you want to learn more about Bobby?

Look at the pictures and complete the sentences about his future.

1 Now it's 11:00 a.m.

In two hours, it _____ won't be
3:00 p.m. (be)

2 _____ at soccer

practice this afternoon? (you / be)

Yes, I _____.

3 Where _____ at
6:00 p.m.? (you / be)

I _____ at home,
eating dinner.

4 When _____ your
homework? (you / do)

I _____ it after dinner.

2) Look at the pictures and choose the correct option to describe Bobby's future.

1 Will your sister be 6 years old on her
next birthday?

a Yes, she will.
 b Yes, I will.

2 How will you go to school tomorrow?

a I'll ride my bicycle.
 b He'll ride his bicycle.

3 Where will she be at 11:00 a.m.?

a She'll be in
English class.
 b She'll be in
math class.

4 When will the sun come up tomorrow?

a The sun won't come
up at 6:30 a.m.
tomorrow.
 b The sun will come
up at 6:30 a.m.
tomorrow.
