Leonardo DiCaprio was born in Los Angeles, California, USA on 11th November, 1974.

Leonardo wanted to be an actor even from a very young age. As a child he appeared in many TV adverts, but it wasn't until the early 1990s that he acted in the TV programmes *Santa Barbara* and *Growing Pains*.

In 1993 Leonardo DiCaprio starred in the film *This Boy's Life*. It was his first role in films. He also starred in *Catch Me If You Can* and *The Man in the Iron Mask*. His most popular role was the poor artist in the *Titanic* which made him a huge star.

When he isn't acting, Leonardo DiCaprio does a lot of environmental work. He even has an island in the Caribbean which he wants to make into an eco-friendly place. I like Leonardo DiCaprio. He's my favourite actor!
