Sundays are the best! ❤

Sunday's my favourite day. I usually get up late and I eat breakfast. My dad sometimes makes delicious pancakes! Then I often go and play football. I'm in a girls' football team. In the picture, I'm celebrating with my friend, Lucy, after scoring a goal! After that, I help my mum in the kitchen. She usually cooks a traditional Sunday lunch with lots of meat, potatoes and vegetables. It's yummy. In the afternoon, I sometimes visit my grandparents with my family. In the evening, I go to the cinema with my friends or I stay home and watch a DVD. I never do any homework on Sundays. I just have fun and relax! Hope you do the same!
