2 SPEAKING | Photo task

→ Student's Book, page 20

1 **Look at the exam question and the photographs below. Tick the main ideas that are relevant to the question and put a cross next to the ideas which are irrelevant details.**

Compare the photographs and say **which situation you think is more enjoyable.**

1 They show young people in learning situations with adults. ☐

2 One man is wearing a black shirt, but the other is wearing a grey shirt. ☐

3 The skills being learnt in the photos are physical skills. ☐

4 Both the young people are wearing things on their heads. ☐

5 The relationship between the adults and the young people is probably different in each photo. ☐

6 One is happening outside, but the other is happening inside. ☐

7 The sea only appears in one of the photos. ☐

8 The young people are concentrating on what they are doing in both pictures. ☐

2 05 **Look at the photographs again and read the text. Complete the gaps with words for comparing, then listen and check.**

The main (1) _____ between the pictures is that they (2) _____ show young people in a learning situation. In the first picture, a child is learning to ride a bike, (3) _____ in the second picture a girl is learning to make some kind of sweet or pastry. (4) _____ , they both show people who are teaching. However, in the first picture the teacher is a parent, (5) _____ in the second picture it is a professional. This means the relationship between the teacher and the learner is very different. The pictures also (6) _____ because one skill is physical, whereas the other one is more practical. Another key (7) _____ between the pictures is that the first is happening outside while the second is taking place inside. Personally, I think the bike riding situation is (8) _____ more enjoyable. Maybe it isn't (9) _____ useful (10) _____ cooking, but for a young child it represents a big adventure. I think having cooking lessons would be more stressful.

3 **Write four sentences about the photos below, using appropriate words for comparing from Exercise 2.**

1 _____

2 _____

3 _____

4 _____
