

## Vocabulary: Kinds of art

Look at the pictures and choose the correct word.

Choose the correct words to complete the sentences.

- 1 "The  exhibit is fascinating! How did people make clothing thousands of years ago? What will people wear 100 and 200 years from now? These are some of the questions it answers."
- 2 "I never knew people wore things like that on their fingers, necks, ears, and arms! What an unusual  exhibit!"
- 3 "These underwater pictures of fish are beautiful. I wonder what kind of camera he used to take them? This is a great  exhibit!"
- 4 "John thought the  exhibit was thought-provoking, but I thought it was weird! The artist just put all those bumpers and hoods and other car parts together. Who wants to look at art like that?"
- 5 "Can you believe it? The artist of these  has never had a brush in his hand. He used pen and pencil to create these beautiful black and white pictures."
- 6 "It's nice to see  by a talented child. How did she learn to use a brush and color like that?"
