C	D	U

This worksheet features a 5x4 grid of math problems. Each problem is presented with base ten blocks (a 10x10 grid for 'C', vertical rods for 'U', and small cubes for 'B') and the corresponding equation 'C U B'. Below the equation are three empty boxes for the student to write the answer. The grid is flanked by two vertical rulers: a green one on the left and a blue one on the right, both marked from 1 to 10. A red horizontal ruler is at the bottom, also marked from 1 to 10. A small logo for 'Dário da Tia Mari' is located at the bottom center of the grid.
