

Somebody That I Used To Know

Now and then I think of when we
_____ together

Like when you _____ you felt so
happy you could die

Told myself that you were right for me

But _____ so lonely in your
company

But that was love and it's an ache I still
remember

felt

were

said

You _____ get addicted to a certain kind
of sadness

Like resignation to the end, always the
end

So when we found that we _____ not
make sense

Well you said that we _____ still be
friends

But I'll admit that I was glad that it was
over

But you didn't _____ cut me off

Make out like it never happened and
that we were nothing

And I _____ even need your love

But you treat me like a stranger and
that feels so rough

No you _____ have to stoop so low

Have your friends collect your records
and then change your number

I guess that I don't need that though

Now you're just somebody that I _____
know (x3)

Now and then I think of all the times
you screwed me _____

But had me believing it was always
something that I'd done

But I don't wanna live that way

Reading _____ every word you say

You said that you could let it go

And I wouldn't catch you hung _____ on
somebody that you used to know

over

up

into

But you didn't _____ cut me off

Make out like it never happened and
that we were nothing

And I _____ even need your love

But you treat me like a stranger and
that feels so rough

No you _____ have to stoop so low

Have your friends collect your records
and then change your number

I guess that I don't need that though

Now you're just somebody that I _____
know (x3)

Somebody

(I used to know)

Somebody

(Now you're just somebody that I used to
know) (x2)
