232 Harry Today

Cole: Where are you? The game is about to start.

Harry: I'm sorry Adam. My father couldn't send me so I have to take the bus. I'll be there in 20 minutes.

Cole: Where is your motorcycle?

Harry: My brother took it. I don't know where he is.

Cole: We have to start without you. I'm going to put Zack in your place.

Harry: Okay. I can play during the second half.

Cole: All right!

This is a text message exchange between Cole and Harry. Cole asks Harry where he is, as the game is about to start. Harry responds that his father couldn't send him, so he has to take the bus and will be there in 20 minutes. Cole then asks where Harry's motorcycle is, and Harry replies that his brother took it and doesn't know where he is. SMK Wazir's Recycling Month

The Science Club of SMK Wazir held a month-long recycling programme. It began on 15th March and ended on 15th April. All the students of the school were called to join this activity to save the environment.

As a start, Aziz Ahmad, head of the Science Club, gave a talk and asked students to join the activity by collecting all the things that they think can be recycled at home and bring them to school. He also informed about the paper collection competition.

Along the programme, students brought lots of newspapers and books. By the middle of each week, the collection box was almost full. The programme ended with a short closing activity. The winning class for the competition was Form 2 Neptune. They managed to collect 30kg of used papers which is 5kg more than Form 1 Mars. They got a big hamper during the prize-giving.

The Club Teacher, Encik Mohamad, thanked the students for joining the programme. Most students agreed that the programme had shown them how to make recycling a way of life.
