

7. Read the conversation. Then circle T (true), F (false), or NI (no information).

A You're not going to believe this. Marcela was in an accident.

B Oh, no! What happened?

A Well, her cousin Joe was driving her to the game when a bike hit their car. The bike rider was texting!

B Oh, no! Is the bike rider OK?

A Yes, he is. Luckily, nothing bad happened to him.

B And what about Marcela and Joe?

A They're fine, thank goodness.
