

let's answer this questions

Hello! I am Rachel. I'm ten years old and I come from The United States. I live in Michigan and I go to school there. I have a baby brother and an older sister, their names are Brian and Taylor. Brian is eight months old and Taylor is fifteen years old.

My father, Carl, is thirty four years old and he is a mechanic. He works really hard and always takes photos of cool cars. He is funny and makes the best jokes. My mother, Kate, is thirthy three years old and she is a dentist but also makes the best lasagna. She is kind and always take care of us. We have a dog, his is Rocky and he is two years old. He is the best dog in the entire world.

My grandmother Linda is seventy two years old and my grandfather, Bob is eighty years old and they always visits us. I love them. My best friends are Harry and Jake. We went to the same daycare when we were younger and now we go to the same school together. Harry is eleven years old and he is tall and likes to play basketball and Jack is nine years old and he is the best in Maths. We are always together.

how many sibling does Rachel have?

how old is her grandmother'

Whats her father's job?

what's the name of the dog?
