God are you kiddin'?
*And then the snake told me to bake an apple pie and not a cake- so I ..... **(DO)** it!*

*I never ..... **(GIVE)** up I was born for the climb*
*I learned my hieroglyphics and ..... **(BECOME)** the queen of the Nile, oh, yeah!*
Me and Mark Antony hand in hand walking like an Egyptian
Thick eyeliner with a sick profile- and what had happened was
*I ..... **(WORK)** my way up to the top of the pyramid*
*Just like all the boys ..... **(DO)***
Worked my way up! Worked my way way way way way way up to the top of the pyramid!

SONG 3

*If you are looking to start a revolution, I ..... **(CREATE)** a social media solution!*
Put on your opulent jewels, hair, and dress and say it in 140 characters, or less!
Let them eat cake
Let them eat cake, cake, cake, cake, cake...
Let them eat cake!

SONG 4

I'm Annie Oakley, and this is my band, the sharpshooters
5, 6, (bang bang bang bang bang!)
*Been on my own since I ..... **(BE)** young ..... **(COME)** out my mama with a gun*
I'm a better shot than anyone-
*No one ..... **(CAN)** beat me!*
But there's a story y'all don't know
My draw was fast and his was slow
It really was his time to go
*So I ..... **(GO)** bang bang! (bang bang!)*
Bang bang! (bang bang!)
*These double barrels ..... **(PUMP)** him full of lead! (bang bang bang bang bang!)*
I went bang bang! (bang bang!)
Bang bang! (bang bang!)
He's 6 feet under lying in my bed! (bang bang bang bang!)
Well, I guess I'm done.

SONG 5

*I'm princess Di, I'm very shy, and the world ..... **(FALL)** in love with my eyes*
*To everyone, I was his wife, and we ..... **(LIVE)** out a fairytale life*
And then the sh!& ..... **(HIT)** the fan, I ..... **(GET)** divorced from my man*

But they can't keep a girl down...
Be careful what you wish for, 'cause this English rose has thorns.
