- The expression *Me too* and *Me neither* are slightly less formal ways of saying *So am I* / *So do I* and *Nor am I* / *Nor do I*. They only exist in the first person singular. We can't, for example, say *Us too* or *Him neither*. The negative form *Me neither* is less common than the positive form *Me too*.
- The expression *Same to you* is short for *The same to you*.
