# VSO

VSO (Voluntary Service Overseas) is an organisation that sends people to foreign countries to work as <sup>1</sup>..... They work on community projects and spend time <sup>2</sup>..... about the culture and language of the host country. <sup>3</sup>..... a lot of them help to build houses or public buildings or work in education or healthcare. The <sup>4</sup>..... they earn is small, but it's enough to live in the country. The people on the programme <sup>5</sup>..... end up becoming <sup>6</sup>..... friends. When they return to their country, their time abroad is like a <sup>7</sup>..... that they have gained. The skills they have learnt can help in many different <sup>8</sup>..... An employee who has been <sup>9</sup>..... for organising a project in another country often has an open mind and good problem-solving skills. One VSO volunteer said, 'A lot of what I <sup>10</sup>..... about the world comes from my time living in Mozambique. It was amazing.'
