What do you do in the winter?

A. Read and complete the sentences.

"Hi, my name's Maria. I live in Chicago, in the United States. We start school in September. In October, I rake the leaves in the garden. In November, it's usually raining, so I watch TV. In December, I go to my grandma's house for vacation. My grandma is so much fun! In January, it's very cold, so I drink hot chocolate - mmm, delicious! Valentine's Day is in February. I always celebrate Valentine's Day with my friends. Sometimes, it snows in March, so I go sledding with my friends. In April, it's warm outside, so I ride my scooter. I pick flowers in my mother's garden in May. In June, we finish school - hooray! In July, I don't wear shoes because it's very hot, but the best month of all is August. In August, I celebrate my birthday. I always get lots of presents!"
