

SLOW IT DOWN- BENSON BOONE

I'd never _____ you, but I wanted to invite you to the party
Then you walked in with _____ green eyes, never _____ by nobody
And they _____ to the future, for a moment, I could picture
Then you touch me and I come back, and we're talking on the _____
'Bout your big dreams on the big _____
Out of Georgia, now you're lonely in this city
Lyin' with me, and you're scared it's movin' quickly
Oh, now you're crying, you're in pieces
'Cause the only love you've ever _____ is Jesus
I can feel it
Oh, I hate that I'm the reason
That you're in your head right now
While your world is _____ out
So slow it down, take a moment now
We're too young to _____ deep in dirty waters
Full of _____ doubt, let me pull you out
Let me _____ you now, let me slow it down
Ain't it funny how it changes?
How the future _____
I get nervous, oh, I'm anxious
Maybe loving you is dangerous
I could lose you like the others
Only girl that's never _____ me is my mother
Oh, I love her
And I know you'll probably hate it
But I'm in my head right now
So slow it down, take a moment now
We're too young to _____ deep in dirty waters
Full of _____ doubt, let me pull you out
Let me hold you now, let me (slow it down)
Slow it down when you're on the _____
And you're crying, I'm trying (slow it down)
To slow it down when you're _____ 'round
In your head
Ooh-ooh-ooh, ooh-ooh
I'll help you slow it down
