Student Life

International Students Enjoy Summer

Hiroko

"I'm from Osaka, Japan. I'm majoring in information technology, but this summer I'm just studying English—six hours a day! I also joined the tennis club, and I'm playing tennis every day. It's great. I'm meeting lots of Americans."

Felix

"I'm from Berlin, the capital of Germany. My major is nursing. This summer, I'm taking three classes at the university—math, science, and English. I'm really busy! After class, I like listening to music."

Gisele

"I'm from São Paulo, Brazil, and I'm an art major. I'm taking two art classes in summer school. There is a lot of homework. I'm working very hard this summer! To relax, I'm taking a yoga class."

B Complete the chart with information from the article.
