3 Complete the text.

I'm still doing my accountancy exams, but I've already (1) with a recruitment company that helps young people to find work. And when I finally get my accountancy (2), it should help me find a career in (3), preferably in the private (4), and eventually run my own business, like my dad. He started in (5), where he worked on the production of motorbikes, but ended up with his own business.

4 **ABOUT YOU** Look at the website again. Which sectors do you have experience or qualifications in? If you're still studying, would you like to work in any of these market sectors in the future?

B Job prospects

Two years ago, I got a **challenging** job with good **prospects** in local radio. I worked hard, and as a **reward**, I was **promoted** and **transferred** to a different **department**. Then, all of a sudden, things started going wrong: one colleague **got the sack**, and another **handed in his notice**. Two months later, ten people were **made redundant**. I didn't want to be **out of work**, so I decided to look **elsewhere**. I applied for a job in TV and was **appointed** assistant director. Amazing!

SPOTLIGHT *dismiss, sack, fire*

An employer may **dismiss** an employee if their work is not good enough or if they have done something wrong. In less formal English, you can say **sack someone**, **give someone the sack** or **fire someone**. An employee can **get the sack**.

He **was sacked**
was given the sack
got the sack
was fired
was dismissed — for being rude.
