A Discussing problems

You know, my English should be quite fluent by now, but **when it comes to** foreign languages, what I learn in class **goes in one ear and out the other**, and my mind goes a complete blank the minute I open my mouth.

Well, it takes time to learn a language, but you'll **get there** in the end.

Perhaps. Do you **have anyone in mind**?

I could probably do **with** some extra lessons.

Off the top of my head, no.

Well, I think your **best bet** is to talk to your teacher.

As far as I know, she doesn't give private lessons, but you're right: I **might as well** ask her. Thanks.
