MY WEEK AT SCHOOL – LESSON 5 SKILLS AND CULTURE

A. Look and write.

**The Best Subject, by Aimee**

**My Opinion**

- I think the best subject in school is history.
- Why do I like it? First, history helps us learn about exciting and interesting things that happened a long time ago. Second, we do projects. We did a drama project about children from 100 years ago. That was fun!
- Some people say that history isn't interesting.
- However, history can teach us many things about the past. In our class, I think about all the people who lived before us.
- It's a wonderful subject!
