Multiplying integers

Grade 5 Integers Worksheet

Rule:
The product of two numbers with same signs is a positive number.
The product of two numbers with different signs is a negative number.

Find the products.

-49 × -36	33 × -51	77 × 26	-13 × -37
63 × 90	-98 × -4	25 × 11	-31 × -4
-99 × -29	-70 × 27	71 × -12	-92 × -72
44 × -26	92 × -22	-8 × 90	70 × -28
