

## Being positive in meetings

### Lead-in

### 1 In pairs, read the blog post and discuss the questions.

**What makes a great team?** The answer is surprisingly simple. It's the feeling among team members that it's safe to ask questions, share ideas and even make mistakes without the risk of getting negative reactions from the rest of the team. So, the message is clear. If you want to build a great team, first make it a safe place to be great in.

- 1 What makes a great team? Do you agree?
- 2 What's your best team experience? Why was it so positive?
- 3 What can a team leader do to make a team 'a safe place to be great in'?

### Listening

### 2 6.01 Anatol is head of HR of a large insurance company. Listen to part of a meeting with his two senior recruiters and answer the questions.

- 1 What recruitment problem is the company currently having?
- 2 What has happened as a result?
- 3 What do the team think is causing the problem? Tick (✓) the correct boxes.

- |                            |                          |                         |                          |
|----------------------------|--------------------------|-------------------------|--------------------------|
| a the company's reputation | <input type="checkbox"/> | d insurance as a career | <input type="checkbox"/> |
| b the salaries             | <input type="checkbox"/> | e employee benefits     | <input type="checkbox"/> |
| c the size of the company  | <input type="checkbox"/> | f the work culture      | <input type="checkbox"/> |

### 3A 6.02 Listen to the end of the meeting and match the suggestions (1–5) with the responses (a–e).

- |                               |                                            |
|-------------------------------|--------------------------------------------|
| 1 Attend more careers fairs.  | a No, there's no point.                    |
| 2 Give talks at universities. | b We don't have the budget for that!       |
| 3 Produce a video promotion.  | c Yeah, but we're already doing that.      |
| 4 Offer training.             | d No, that's a complete waste of time.     |
| 5 Sponsor MBA studies.        | e We tried that before and it didn't work. |

### B What suggestion does Anatol make at the end of the meeting? Why?

### 4 Anatol decided to text his team with some 'rules' for their next meeting. Read his text on the left. Can you work out what the missing words are?

1 When someone shares an idea, can we please say at least one pos\_\_\_\_\_ thing about it before we say anything else?

2 Can we try to build on other people's ideas by considering the poss\_\_\_\_\_ – what else can we do to make the idea even better?

3 If we can see a pro\_\_\_\_\_ with an idea, let's not be negative. Let's ask how we could solve it.

### 5A 6.03 Listen to part of the next meeting and number the suggestions in the correct order.

- |                                            |                          |                                 |                          |
|--------------------------------------------|--------------------------|---------------------------------|--------------------------|
| a Introduce mobile advertising.            | <input type="checkbox"/> | d Offer 12-month internships.   | <input type="checkbox"/> |
| b Put trainees into smaller project teams. | <input type="checkbox"/> | e Provide personal coaching.    | <input type="checkbox"/> |
| c Create more of a fun work culture.       | <input type="checkbox"/> | f Make job offers a lot faster. | <input type="checkbox"/> |

### B Compare the second meeting with the first. How have the 'rules' helped?

### C Why is each suggestion in Exercise 5A a good idea? Listen again and take brief notes.

- |         |         |
|---------|---------|
| a _____ | d _____ |
| b _____ | e _____ |
| c _____ | f _____ |

### D What two possible problems are raised in the meeting? What solutions are suggested?

## Supporting, building on and questioning ideas

**6A** Complete the following comments from the second meeting using the pairs of words in the box.

do + can   doing + could   like + idea   might + idea   problem + about  
subject + don't   think + idea   what + idea   wondering + manage

- 1 I really like that idea !
- 2 And while we're on the \_\_\_\_\_ of learning the business, why \_\_\_\_\_ we provide personal coaching as well?
- 3 Of course, there *is* the \_\_\_\_\_ of cost. What can we do \_\_\_\_\_ that?
- 4 You know, that \_\_\_\_\_ not be such a bad \_\_\_\_\_ .
- 5 \_\_\_\_\_ a good \_\_\_\_\_ !
- 6 And \_\_\_\_\_ that means we \_\_\_\_\_ also make job offers a lot faster.
- 7 Actually, I \_\_\_\_\_ that's a great \_\_\_\_\_ !
- 8 And if we \_\_\_\_\_ that, perhaps we \_\_\_\_\_ also create a bit of friendly competition between teams.
- 9 I'm just \_\_\_\_\_ about the amount of reorganisation it'll need. How can we \_\_\_\_\_ that?

**B** In pairs, label the expressions in Exercise 6A according to their function, using the following icons.

**A** Work in groups of 3-6. You all work in the creative department of an advertising agency in Los Angeles. Today you received the following email from your Creative Director. Read the email.

Hi team,

As you know, this year is the agency's 50th anniversary and we in the creative department are organising the celebrations. Now, we have a budget of around \$150,000, but, no, we won't be spending it all on one big staff party! In fact, I see this as an opportunity to build stronger relationships throughout the year with our key clients, suppliers, possible clients and, of course, each other!

The company has grown so much in the last 50 years, so we want to do something really special. I'd like to hold a discussion meeting at 2 p.m. on Thursday 3rd. Bring your best ideas!

Marc

### TASK

**B** Take a few minutes to prepare. Then hold the meeting.

### Student C

Share as many ideas as you can in the meeting and remember to comment on other people's ideas, too. Here are a few suggestions to get you started:

- Organise a quiz about the history of the company for staff and/or clients. Give prizes.
- Create a 30-minute reality TV show about a day in the life of the agency.
- Put an interactive timeline on the company website showing the company's history.

### Student B

You're the note-taker at the meeting. Put all the ideas on a flipchart or a large piece of paper. You also have some ideas yourself:

- Create a special 50th anniversary company logo to put on our website and business cards.
- Organise a 'retro party' for our clients and staff – everyone wears clothes that were popular fifty years ago!
- Provide fifty \$1,000 scholarships for students at the local art and design school.

### Student A

Unfortunately, Marc can't attend the meeting, so you're the chair! But don't worry. All you have to do is:

#### 1 Open the meeting:

*'Good morning/afternoon, everyone. Thanks a lot for coming. Unfortunately, Marc can't be here, so I'm chairing the meeting today. As you know, we're here to discuss how we celebrate our 50th anniversary. So I'd like to hear all your ideas. This is a great publicity opportunity for us. Let's make the most of it.'*

#### 2 Explain the rules of the meeting:

##### Rules of the meeting

- Let's have lots of ideas – keep them coming!
- Please let everybody speak.
- Stay positive – don't be negative!
- If you make a negative comment, you'll have to put money in the negative comment box! 😊
- Try to build on other people's ideas.
- If you can see a problem with someone's idea, don't criticise it – ask a question.

#### 3 You also have a few ideas yourself to share with the team:

- Set up a special 50th anniversary website linked to our home page.
- Organise some kind of creative event – perhaps a video exhibition of our best commercials.
- Give our clients personalised 'retro gifts' – gifts which were popular 50 years ago!

#### 4 Close the meeting:

*'OK, thanks a lot, everybody. Some great ideas there. Let's stop for today and meet again in a couple of weeks.'*

### Student E

Share as many ideas as you can in the meeting and remember to comment on other people's ideas, too. Here are a few suggestions to get you started:

- Create a wall display in the office telling the story of the agency in words and pictures.
- Ask our design department to create a comic book with staff members as characters in the story.
- Give money to a charity that helps young people interested in the arts.

### Student F

Share as many ideas as you can in the meeting and remember to comment on other people's ideas, too. Here are a few suggestions to get you started:

- Organise sports events for staff, clients and suppliers.
- Ask our writers to create a sixty-second commercial for the agency.
- Create a history of the company video with the person who started the agency.

## Making requests

From: Jason Sparks, Team Leader  
To: Product launch team  
Re: Next steps for launch

Hi team,

Following the exciting news of our new products, I'm just writing <sup>1</sup> \_\_\_\_\_ let you know the next steps <sup>2</sup> \_\_\_\_\_ the product launch <sup>3</sup> \_\_\_\_\_ two months' time.

Unfortunately, the venue manager emailed yesterday, saying that one <sup>4</sup> \_\_\_\_\_ the rooms isn't available now. He suggested another room, but first we need to check it has everything we need. If possible, I'd like Ana <sup>5</sup> \_\_\_\_\_ meet him immediately and see it. Then, if we like it, we'll book it. If we are unhappy <sup>6</sup> \_\_\_\_\_ it, we will have to find another venue.

Only about 55 percent of guests have replied <sup>7</sup> \_\_\_\_\_ our invitation. Sarah, would you mind checking the guest list? Please contact everyone who has not replied and remind them. After that, we can inform the catering company of the final numbers.

Finally, we'll need a press release. Gemma and Franz are responsible <sup>8</sup> \_\_\_\_\_ that. Do you think I could have a copy <sup>9</sup> \_\_\_\_\_ my desk by the end <sup>10</sup> \_\_\_\_\_ the week?

Thank you for your hard work. The new schedule is attached.

Best,  
Jason
