Numbers Every Day

We count things every day. When we need four friends to play a game, we count: 1, 2, 3, 4.

When we see lots of things, we count by twos. If we see lots of frogs in a pond, we can count fast: 2, 4, 6, 8, 10 frogs!

Odd and Even

Numbers are odd or even. Look:

I have four black pencils and you have five white pencils.

Which number is even? Four is even.

Which number is odd? Five is odd.

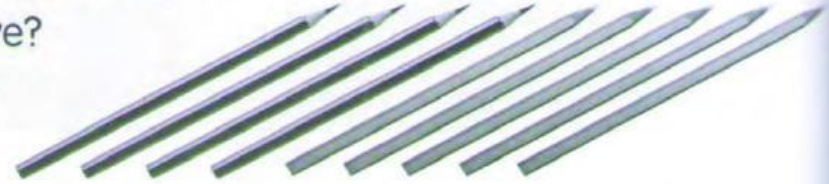

Addition

We use addition every day, too. Look again.

How many pencils do we have?

Let's use addition: 4 + 5 = 9

We have nine pencils.
