

Look What You Made Me Do

I **don't/doesn't** like your little games
Don't like your tilted stage
The role you made me play of the fool
No, I don't like **you/him**

I don't like your perfect crime
How you laugh when you lie
You said the gun was **mine/like**
Isn't cool, no, I don't like you (oh!)

But I got smarter, I got harder in the nick of time
Honey, I **rose/lose** up from the dead, I do it all the time
I got a list of names, and yours is in red, underlined
I check it once, then I check **eat/it** twice, oh!

Ooh, look what you **take/made** me do
Look what you made me do
Look what you just made me do
Look what you just **made/did** me...
Ooh, look what you made me do
Look what you made me do
Look what you just **did/made** me do
Look what you just made me do

I (I) don't (don't) like your kingdom keys (keys)
They (they) once belonged to me (me)
You (you) **asked/are** me for a place to sleep
Locked me out and threw a feast (what?)

The world moves on, another day another drama, drama
But not for me, not for me, all I think about is karma
And then the world moves on, but one thing's for sure
Maybe I got mine, **but/lot** you'll all get yours

But I got smarter, I got **harder/stronger** in the nick of time (nick of time)
Honey, I rose up from the dead, I do it all the time (I do it all the time)
I got a list of names, and yours is in red, underlined
I check it **once/one**, then I check it twice, oh!

Ooh, look what you made me do
Look what you made me do
Look **what/who** you just made me do
Look what you just made me...
Ooh, look what you made me do
Look what you **made/take** me do
Look what you just made me do
Look what you just made me do

I don't **trust/lost** nobody and nobody trusts me
I'll be the actress starring in your bad dreams
I don't trust nobody and nobody trusts me
I'll be the actress starring in your bad **dreams/ticks**
I don't trust nobody and nobody trusts me

I'll be the actress starring in your bad dreams
I **don't/doesn't** trust nobody and nobody trusts me
I'll be the actress starring in your bad dreams

I'm sorry
But the old Taylor can't come to the **tone/phone** right now
Why? Oh, 'cause she's dead (oh)

Ooh, look **why/what** you made me do
Look what you made me do
Look/Took what you just made me do
Look what you just made me...
Ooh, look what you made me do
Look what you made me do
Look/Took what you just made me do
Look what you just made me do

Ooh, look **why/what** you made me do
Look what you made me do
Look what you just made me do
Look what you **just/lost** made me...
Ooh, look what you made me do
Look what you made me do
Look what you **just/lost** made me do
Look/Took what you just made me do
