Listen to the lyrics of the song. **Drag & drop in the correct spot.**

Maybe it's 6:45, maybe I'm barely alive
Maybe you've taken my shit for the last time, yeah

Spent 24 hours, I need more hours with you
You spent the weekend, getting even, ooh ooh

Maybe I know that I'm drunk, maybe I know you're the one
Maybe I'm thinking it's better if you drive

We spent the daylight, trying to make things right, between us
And now it's all good baby, roll that Backwood baby
And play me, close

We spent the late nights, making things right, between us
But now it's all good baby, roll that Backwood baby
And play me, close

I spent last night, on the last flight to you
Took a whole day up, trying to get way up, ooh ooh

Chorus

'Cause girls like you
Run around with guys like me
'Til sundown, when I come through
I need a girl like you, yeah yeah

Girls like you
Love fun, yeah me too
What I want when I come through
I need a girl like you, yeah yeah

Yeah yeah yeah (X2)
I need a girl like you

Chorus

Chorus +
I need a girl like you, yeah yeah
I need a girl like you

Chorus
