

Maybe it's 6:45, maybe I'm barely alive  
Maybe you've taken my shit for the last time, yeah

Spent 24 hours, I need more hours with you  
You spent the weekend, getting even, ooh ooh

Maybe I know that I'm drunk, maybe I know you're the one  
Maybe I'm thinking it's better if you drive

Chorus

We spent the daylight, trying to make things right, between us  
And now it's all good baby, roll that Backwood baby  
And play me. close

We spent the late nights, making things right, between us  
But now it's all good baby, roll that Backwood baby  
And play me. close

Chorus +

I need a girl like you, yeah yeah  
I need a girl like you

I spent last night, on the last flight to you  
Took a whole day up, trying to get way up, ooh ooh

Chorus

'Cause girls like you  
Run around with guys like me  
'Til sundown, when I come through  
I need a girl like you, yeah yeah

Girls like you  
Love fun, yeah me too  
What I want when I come through  
I need a girl like you, yeah yeah

Yeah yeah yeah (X2)  
I need a girl like you

Chorus
