ONLINE EXERCISE

Future Predictions

Read and record your voice saying the sentences:

1. The future will be more dangerous because of diseases.
2. Travel will be faster and cheaper because planes will be better.
3. Sooner or later a new and very dangerous disease will appear.
4. It will move quickly from one continent to another.
5. Will we have cars in the future?
6. They won't use petrol or diesel.
7. The roads will be safer.
8. People will just have a small device.
9. You won't need a keyboard.
10. The computer will buy the tickets.
