#### Section IV. Reading (25%)

Read carefully this story and circle "true" or "false" in the sentences at the end of this section.

**Vanessa's birthday is coming. Ashley and Jeffery want to buy some gifts for her.**

Jeffery wants to buy a pair of earrings for Vanessa. Vanessa always wears a dress when she goes out with her friends. A pair of pretty earrings really goes well with her.

Ashley wants to buy a pair of shoes for Vanessa, but she is not sure about Vanessa's shoe size. Maybe buying a pair of gloves is a good idea. She can wear them this coming winter.
