### Part 4 : Reading

#### Passage 1

Free-time activities play a vital role in our lives, providing opportunities for relaxation, creativity, and personal growth. People have diverse interests and preferences when it comes to how they spend their leisure time.

Emily enjoys gardening as a way to unwind and connect with nature. She spends her weekends planting flowers and vegetables, which not only beautify her surroundings but also give her a sense of accomplishment.

John, on the other hand, is passionate about photography. He spends hours capturing moments and scenes that inspire him, whether it's landscapes, portraits, or street photography. Photography allows him to express his creativity and capture memories that he cherishes.

For some, free-time activities involve physical exercise and sports. Lisa stays active by practicing yoga and going for long walks in the park. These activities help her stay fit, relieve stress, and maintain a healthy lifestyle.

Others find joy in culinary arts. Mike loves experimenting with new recipes and hosting dinner parties for friends and family. Cooking not only satisfies his taste buds but also brings people together around the table.

In essence, free-time activities are diverse and enriching, contributing to overall well-being and happiness. Whether it's through hobbies, sports, or creative pursuits, finding time for activities we enjoy is essential for a balanced life.
