A negative experience

Read the speech by a devastrated worker and match the phrases in bold to the meanings on the right.

After university, I was **turned down** by lots of companies because of my lack of experience before I **was** finally **taken on** by a firm selling farm machinery. I thought it was a nine-to-five job but I was wrong. I had to work all hours and my boss was constantly **checking on me** to make sure I was hard at it. The dreadful working environment hit home when I was **told off** for 5-minute tardiness. Once I realised I **wasn't cut out for** the job and I had no desire **to get on** at that firm, so I **hand in my notice**.
