

ACTIVITY

STUDYING ABROAD

Let's read about what it's like to travel in an exchange program.

Read the Exchange Program advertisement and complete the tasks.

EXPLORE THE WORLD OF ROBOTICS

Imagine yourself working with experts in the field. From programming and design to fabrication and testing, our program provides a comprehensive learning experience that will challenge and inspire you. Also you can go sightseeing in Chicago and visit world-class museums to historic landmarks.

The program is divided in 15 days. Ten days going to school and five days to visit the city. The main requirement is previous knowledge in robotics.

EXPLORE THE BEAUTY OF ITALY AND ITS LANGUAGE

If you are eager to learn Italian and experience the rich culture of Italy, our Italian Learning Exchange Program offers a unique opportunity to immerse yourself in the language and traditions of this captivating country.

The program consist in three week of classes and one week to visit the mentioned places. This is a full month program and doesn't have any requirement.

DISCOVER EDINBURGH AND IMPROVE YOUR ENGLISH

If you're a beginner looking to improve your fluency, our program provides a supportive environment for learning English. Participate in interactive language classes, conversation practice, and cultural workshops led by experienced native speakers.

In the program you will have four weeks of classes and fridays and weekends free. At the end of the program you will have a tourism week. The only requirement is an A2 level.

TRAINING SOCCER WITH THE BEST

Let's participate in intensive training sessions led by experienced coaches and former professional players and discover the rich cultural heritage and stunning landscapes of Spain. From the vibrant streets of Barcelona to the beautiful coastal towns, immerse yourself in the unique traditions and way of life.

You can be part of the Soccer camp for two weeks. You will train from monday to friday until noon. You will have the afternoons and weekends free.

ACTIVITY 1
