Hi Greg,
 How had been your summer? Mine was brilliant! In August, my parents and I (1) were going to London! My brother (2) wasn't coming with us because he (3) was wanting to go camping with his friends. While we (4) were sightseeing in 'The Big Smoke', we decided to visit the Tower of London – that's the tower where the guards wear big black hats. Those men are called Beefeaters. Anyway, the tour that we (5) were taking was really interesting and I learned a lot. After the tour (6) had finish, I went into the gift shop. I was shopping in there when I (7) had found the perfect souvenir for you! Let's meet up, so I can give it to you!
