

INSPIRED TOTS EARLY LEARNING CENTER  
1<sup>ST</sup> GRADE THIRD TERM EXAMINATION 2023/2024 SESSION

NAME \_\_\_\_\_

A. Circle the even numbers among the numbers in each question.

**Example**

13

17

12

39

42

33

- |     |    |     |     |     |     |
|-----|----|-----|-----|-----|-----|
| 1.  | 37 | 6   | 1   | 2   | 8   |
| 2.  | 28 | 4   | 5   | 6   | 9   |
| 3.  | 17 | 3   | 8   | 2   | 12  |
| 4.  | 9  | 22  | 13  | 15  | 6   |
| 5.  | 10 | 11  | 14  | 18  | 19  |
| 6.  | 55 | 111 | 146 | 195 | 200 |
| 7.  | 16 | 7   | 17  | 29  | 6   |
| 8.  | 46 | 20  | 13  | 48  | 37  |
| 9.  | 12 | 31  | 21  | 18  | 14  |
| 10. | 60 | 55  | 64  | 86  | 92  |

INSPIRED TOTS EARLY LEARNING CENTER  
1<sup>ST</sup> GRADE THIRD TERM EXAMINATION 2023/2024 SESSION

NAME \_\_\_\_\_

Circle the odd numbers in the ascending order of magnitude in the following questions

SAMPLE

Given numbers: 3 2 4 5 6 1

Ascending order of odd numbers: 1 3 5

11

5 8 2 3 6 7

---

12

18 3 5 2 9 4

---

13

5 8 1 3 4 7

---

14

17 4 18 3 10 1

---

INSPIRED TOTS EARLY LEARNING CENTER  
1<sup>ST</sup> GRADE THIRD TERM EXAMINATION 2023/2024 SESSION

NAME \_\_\_\_\_

Study the relationships between the numbers in the given example.

**Example**

14

$7 \times 2 = 14$

$14 \div 7 = 2$

$14 \div 2 = 7$

Fill in the empty spaces with the correct numbers.

1.

30

10

2.

3

2

3.

44

4

4.

6

1<sup>ST</sup> GRADE THIRD TERM EXAMINATION 2023/2024 SESSION

NAME \_\_\_\_\_

Put the missing numbers in the diagrams below.

INSPIRED TOTS EARLY LEARNING CENTER  
1<sup>ST</sup> GRADE THIRD TERM EXAMINATION 2023/2024 SESSION

NAME \_\_\_\_\_

**Example**

The example shows a triangle with two sides labeled 15 and 17, and an angle at the top labeled 32. To the right, a larger version of the same triangle is shown. Above the top angle is a box containing the equation  $15 + 17 = 32$ . Below the left side is a box containing  $32 - 17 = 15$ . Below the right side is a box containing  $32 - 15 = 17$ .

Fill in the spaces correctly.

1.

2.

3.

4.

5.

6.

NAME \_\_\_\_\_

study the relationships between the numbers given in each example.

Put the missing numbers in the diagrams below.
