

Thailand Cave Rescue

In June 2018, twelve boys and their football coach decided to explore a large cave. It was during the rainy season, so the ground was very wet and muddy. Unfortunately, the students lost their sense of direction while exploring, and rainwater began to fill the cave. When the students tried to exit the cave, they found that they had become trapped by the water.

1. What happened to the twelve boys in the paragraph?
 - a. Twelve boys played football.
 - b. Twelve boys explored a large cave.
 - c. Twelve boys lost their sense of direction while exploring.

Dear Talib

Thank you so much for you last email. I'm so _____3_____ to have pen pal!

Let me tell you a little about myself. Right now, I go to school in England, but

I don't live with my parents. That's because the school I _____4_____ is a

boarding school, which is a kind of _____5_____ school where students

stay in their own dormitory room at night and on weekend. Before this, I

went to a local school in my hometown, but my parents were not

_____6_____ with it, so they moved me here. When I first came here, I

was quite nervous and _____7_____. But now, I've been living here for

almost 2 years, and I feel more relaxed and _____8_____. It's nice here: it's

really quiet so I can concentrate on my studies, and the school's general

_____9_____ is great. We have many classes to choose from, and wonderful

teachers. My favourite class is science. We have an incredible laboratory here,

so every week I can do fascinating _____10_____. Overall, this school is

pretty good.
