Last week, I caught a bad flu which caused fever and headache. The flu which were simplest and smallest forms of life caused a lot of illness symptoms. I had a persistent because my throat was so itchy. A constantly made me tired and uncomfortable. My nose produced more liquid than usual as I had to wipe it with tissue paper. These illness symptoms I went to the to pick up some medicine. The pharmacist recommended a strong cough syrup and some to cure the illness. After a few days, my symptoms began to improve, and I started feeling much better.
