A Porto

There are a lot of great places here. I like the bookshop because it's very old and amazing inside. But my favourite place is the train station. It has lots of beautiful pictures on the walls. It's like an art gallery!

B Delhi

People come to Delhi to see the old buildings like the Red Fort and eat the very nice food. But for me, there is a fantastic museum. The Toilet Museum! There are hundreds of toilets from the past to modern times. One toilet is 3,000 years old!

C Bogota

People visit this city because the food is great. There are lots of lovely restaurants and the fruit juice is great. I like the Gold Museum. It has over 55,000 gold objects and collections of stamps, money and musical instruments.

This city is amazing. There are lots of good restaurants and small cafes. It's interesting because some of these places are open 24 hours so people can eat all the time! Also, this city has got some beautiful gardens. They are very large. You need to go for a walk in these gardens!
